IT'S AS EASY AS A-C-B!

Since "The Empire Strikes Back", we thought it was time the Marvel alphabet struck back, too. Good time for you to learn or brush up on your letters... even easier if you happen to be a Marvel fan (judging by the enormous amount of mail we have been receiving, fandom is certainly growing out there). Get it right or you may have to stay after class and write your letters 600 times. Simply put the correct letter with each Marvel character... one for every letter... and no trickery. Promise.
